GRANGER OUSTED FROM 26B RACE

J. B. WHITE

Dangerous days are ahead for the motorist and pedestrian. Snow, ice, rain, fog, long nights and low visibility combine to make fall, winter and spring and to increase the hazards of traffic. From October until May one is safer in the security of his own home.

Timely warning was given by the American Automobile Association to the operator of a motor vehicle and to the pedestrian as the days become shorter and driving conditions become adverse. The warning will go unheeded by most but will save some lives and prevent a great deal of anguish.

Those who are resigned to the thought that no amount of education, propaganda, control or regulation can materially reduce the number of traffic accidents will find refutation in the history of the school patrol. Although the number of school children and the number of motor vehicles have both increased tremendously since the school patrols were organized the accident rate among children going to and from school has diminished from year to year. Adequate control is the best accident preventive.

The automobile and motor truck have bested King Winter to become mediums of transportation in all seasons but the driver who overlooks the fact that rubber finds its best traction on a clean, dry highway and that the eye sees best through a clear windshield in clear weather is likely to find the next several months dangerous months.

Except for the intrusion of drought more or less an habitual visitor at this time of year, and the colder weather earlier in the month, which caught the leaves just turning and hastened their fall, little but praise can be expressed for October, now drawing to a close. Odor of smoke in the air, a distinct coolness at getting up time in the early morning, leaf bonfires in the streets and early preparations for Halloween on the part of the small fry—and their elders, too—lure humanity toward the inescapable fact of approaching Winter.

It is a season of "great nights for sleeping." Early risers do not dawdle over dressing, and they get the window closed with dispatch. The sound of steam rising in the pipes is grateful to the ear and those lucky enough to afford the time for rolling over and getting one last nap accept the opportunity with muffled sounds of satisfaction. January weather can still be ignored in thought.

Two months of the year—April and October—"have everything" around here. Almost past is October, but there is always April in prospect. Better to fix the mind on what is to come, ignoring what is between. Better to think of Thanksgiving, Christmas and other good things. With a kindly, regretful last wave to October.

Brightly conspicuous among the prophets of agricultural doom is one who foresees, as he thinks, a future of ease and plenty for the farmer. Particularly does he dwell on the prospective ease. The farmer, he says, will sit on his front porch and get his work done by merely pressing a button.

That the farmer will press the button is within the realm of possibility, but that he will sit on his front porch to do it passes belief. The prophet bases his forecast on a misconception of the farmer's nature.

The farmer is by heritage and training an exceedingly active man. He rises with the sun to milk and feed before breakfast; all day he is in the fields cultivating corn, pitching hay, chopping wood and digging postholes; and his last chore is not finished until he locks the henhouse door after dark and tramps upstairs to bed. He is incessantly on the go.

Accustomed as he is to energetic motion the farmer will not be quickly weaned away from it. A time may come indeed when he will do his work by pressing a button. But he won't

Dick Darling's New Bag of Tricks a Book of Magic.

By special arrangement with the Quaker Oats Company several hundred copies of the book, "Dick Darling's Bag of Tricks," an amazing collection of tricks and highly illustrated, will be distributed in Cameron and territory. Clip a Quaker Oats Sign from a large package or two small box of Quaker's Oats and bring it to the Herald office and get a copy. You will be surprised to find such a magnificent gift. Next week Quaker Oats Company, through local merchants, will have an important announcement.

Quaker Oats Campaign Starting October 22nd Has County Wide Appeal

The Quaker Oats Company is coming back to the country newspapers for advertising their excellent product. To insure the success of this initial campaign, the dealers and newspapers are to make a special effort to cooperate.

Grocers appreciate the value of an established brand name—they know that their customers appreciate the privilege of calling for a nationally advertised brand of goods, knowing that it means they will receive the quality they expect.

When a large concern decides to use local newspapers for advertising service, it means increased sales for the local merchants.

When the Quaker Oats advertisement appears in The Herald on October 22, it will contain the names

of all the dealers in Cameron trade territory. The Herald is giving this line free, to help the campaign along to make it a success in every store.

In addition to this, The Herald will distribute the "Trick Book" to each person who brings the Quaker cut from a large package of Oats, or two Quakers cut from the smaller packages. Book contains simple tricks which any boy or girl can perform for the entertainment of themselves and others. They will want one.

The dealers will cooperate in this campaign by using special displays in their stores and by adding to their advertisements a section calling attention to Quaker Oats sold by them.

Newton Gives Views From Austin Scene

Believing that it is the duty of a public servant to keep the people informed as to his actions in their behalf, I beg leave to report on the work of the third called session of the Forty-fourth Legislature.

As all of you know, the purpose of this session is to raise money to pay old age pensions.

Thus far we have done two things in this session:

1. We had a thorough investigation of the Old Age Pension Commission which lasted for more than a week. This investigation showed that there is much confusion and red-tape in the handling of the old age pension. This investigation also proved that the Texas pension law is the most liberal law of its kind in the United States.

Scores Delay

Whenever the subject is opened up for legislative action, I am going to vote to simplify and speed up the old age pension machinery. I think we can set up machinery that will take care of an application without

all the bother and red-tape that now exists. I do not believe that any applicant should have to wait six or eight or ten months before he finds out what has been done with his application. If people are hungry and needy, they simply cannot wait that long.

Therefore, when the question of simplifying and rebuilding the old age pension set-up is opened up, I am going to vote for simplification. I want people to hear from their applications within a reasonable length of time, and six or eight months is not a reasonable time.

Tax Bill Proposed

2. We have gotten down to work on tax bills. The house on October 8 passed a tax bill estimated to raise about \$8,000,000 in new revenues for pensions. I voted for this bill because I believe that we should get taxes enough to pay these pensions, and pay them now.

But I did not stop when I voted for the bill mentioned above. I know

CEREMONIES TO FEATURE HISTORIC MARKINGS

The Milam County Advisory Board of the Texas Centennial Commission met in called session in the district court room Sunday afternoon, when reports were made concerning the historical markers erected and to be erected in this county.

Of the seven markers allotted to Milam County, six have been erected, to-wit: Mission de los Dolores; Mission San Idelfonso; Mission de la Candelaria; Port Sullivan; Bryant Station; Steamboat landing near Cameron.

Erection of the marker at Old Nashville has been delayed, but it is thought this marker will be placed within the next few weeks.

Programs Arranged

The board went on record as favoring suitable programs or celebrations for the unveiling of these monuments, and the following tentative dates were adopted:

A. H. GOHMAN, SHOT HERE FRIDAY, WILL SURVIVE WOUNDS

A. H. Gohman, shot and critically wounded here late Friday night, will recover, it was said here Wednesday. His right lung was punctured by a 22 calibre rifle bullet.

Jack Shuffield, 19 year old youth, was held without bail following the shooting which occurred at the home of his mother in Cameron. The youth was arrested by Dan Lunsford, special city officer when he saw the boy walking toward the river bottoms with a rifle.

At the office of the sheriff, it was said the men quarreled shortly before the shooting, the youth claiming that Gohman had threatened his life and that of his mother, Mrs. Maude Shuffield.

COTTON REPORT

Census report shows that there were 18,121 bales of cotton ginned in Milam County from the crop of 1936 prior to October 1, 1936, as compared with 16,322 bales ginned to October 1, 1935, crop of 1935.

FORMER PASTOR HERE BELIEVED SUICIDE

San Antonio, Oct. 10—Walter Harbin, about 65, short-story teacher, critic and agent, who operated under the name of the Escribator, was found dead in a gas filled bedroom of his home here Saturday when one of his pupils called and found the house locked. Police believed he had been dead two or three days.

His wife resides at Center Point. A daughter and three sons also survive. Harbin is said to have taught persons throughout the country by mail and to have maintained New York connections for placing of manuscripts.

Rev. Harbin was formerly pastor of the First Methodist church in Cameron, according to Mrs. B. F. Bonds, who called the attention of The Herald to the story of Dr. Harbin's death.

H. F. Glaser Not At Scene of Fatal Wreck On Buckholts Road

H. F. Glaser, reported through error last week, as having been the driver of the car that crashed with the machine of Moises Robledo, Mexican minister, who lost his life, was in no way responsible for the accident and was not present.

A truck belonging to Mr. Glaser and driven by his son, Albert Glaser, and Coy Fikes, was parked off the highway, with lights burning. The car that crashed with the Robledo machine belonging to Mr. Mayer was driven by his son-in-law. In the car were Mr. and Mrs. Mayer and three others.

Mr. Glaser was at his home and in no way connected with the accident. The Herald prints this correction to clear up the confusion resulting from inaccurate details given the newspapers.

FARM EDITORS ARE COMING TO CAMERON

Mrs. Minnie Fisher Cunningham, editor of the farm extension news at A. & M. College and Porter Hedge, agricultural writer for the Temple Telegram, will be in Cameron for a tour of farm demonstration clubs today.

They will be guests of Miss Bertha Fae Strange, home demonstration agent and George Banzhaf, county agent. The Thomas farm for trench silos are on the tour of the County.

Miss Strange takes them to Clark-son for two demonstrations in yard work by Miss Nora Kohring. Jim Hawk will give a farm food supply demonstration and Mrs. Walter Garrett a wardrobe display.

At Jones Prairie Miss Ethel McKinney will give a yard demonstration and there will also be a demonstration on the S. S. Hickman place. A wardrobe demonstration will be held at Ila Gene Stidham's. At Curry John Hause will have charge of the Centennial Demonstration.

MISS MARY B. HALL BURIED ON TUESDAY

Funeral services were held for Miss Mary Brady Hall, 68 year old pioneer of the Ad Hall Community, Tuesday October 13, from the home of her brother, D. K. Hall, Rev. O. C. Acree of the First Presbyterian church, conducted the services with interment in the family cemetery at Ad Hall. Leland Green Funeral Home was in charge of arrangements.

Miss Hall was found dead in her home Monday October 12 at 4 o'clock. She is survived by her mother, Mrs. Prudence Hall; two sisters, Mrs. Donaldson and Mrs. Scarbrough; three brothers, D. K. Hall, R. T. Hall and John Hall, and a large number of nieces and nephews.

Pall bearers were: Robert Bailey, Feaster Scarbrough, Oscar Pattillo, Loyce Phillips, Alex Triggs and Judd Davis.

Huddle Highlights WITH THE YOEMEN

Coach L. C. Wood, Czar of the Maroon and Grey, is smiling from ear to ear this morning—he heard something about Granger being declared ineligible, but he's a bit disappointed, too, for his primary reason for allowing his boys to go on a scoring rampage was to scare the Granger boys. It is reported that Granger is out of the running for the remainder of the season because of playing two ineligible men.

Someone said the score here last Friday night in the Yoemen-Georgetown game was 43 to 0 in favor of the Yoemen, but it should have been 57 to 0. Dero Underwood missed two perfect passes while standing on the goal line. Dero will have to beat that tomorrow night. McLean showed up better last Friday than ever before and promises to play a good brand of football in Taylor tomorrow night. He improved on his passing and running plays and is in perfect condition to lead the Yoemen to victory and, possibly keep up the unscored on record held by the Maroon and Grey through four games.

Luie Turner called signals last Friday and did a splendid job—he stands a good chance of calling the plays for the remainder of the year.

Herman Gerick, the big 170 pound lineman, is learning the game fast and will cause the Taylor Ducks a lot of trouble—in fact, it is a good bet that he'll make "mud hens" of those ducks.

The rabbit foot presented to Coach Wood and his boys by the Cameron Herald before the first conference game is sure doing its stuff.

Home Agents Busy At County Fairs

Miss Bertha Fae Strange, home demonstration agent, will go to Centerville in Leon County Friday to judge at the county fair. Miss LaGrone, assistant agent, will be in Thorndale on Friday to judge exhibits at the fair.

INELIGIBLE MEN PLAYED COMMITTEE DISCOVERS

Granger, strong contender for District 31-B title, has been read out of conference competition for 1936 by the football committee for the district for playing two ineligible men, it was announced Tuesday by Superintendent E. A. Perrin, chairman of the committee.

The committee passed resolutions setting out the facts, as ascertained by the body of men who look into the qualifications of players over the district.

Defeated Thrall

Granger defeated Thrall in her first conference game. This game is automatically forfeited, says the Perrin statement. Whether the Granger school would contest the right to participate further in the conference play this year, was not determined.

The following is a copy of a letter addressed to A. B. Smith, superintendent of Granger schools:

I regret to inform you that the District Football Committee found Granger High School guilty of playing ineligible men. The resolution given below was carried:

Whereas, we, the football Committee of District 26, find that Allen Wishman has represented the Granger High School football team in violation of:

(1) The transfer rule, Sec. 14, Art. VIII, in that he did not enroll in the Granger High School until on or

THE RIGHT HOTEL TO OPEN NOVEMBER 1ST

A beneficial and influential development over the week was the start of construction work on the old Commercial Hotel building, now being renovated and placed in first class condition for a modern hotel.

The property, recently purchased by W. B. Denson, has been leased to Rodney Anderson who announces the new hotel will be in operation about November 1st. The new hotel will be known as the Right Hotel.

Parking Space

Of especial interest in the plan is the vacant property adjoining 60x100 feet which will be beautified and made into a parking space for guests. This lot is now a portion of the space used by the Tire Store for an open shop. Shrubs will be planted and the place generally beautified.

Lobby Impressive

A lobby 36x36 will set off the improvements being made in the building. This space will be finished in texture. The lobby is at the south entrance of the building. No cafe will be operated for the present, Mr. Anderson said. There will be 17 baths (Continued on page 7)

Yoemen B Squad In Another Defeat

The Hearne B Squad defeated the Yoemen B squad again here Tuesday night by a score of 14 to 0. The "Yoelers," although still in poor condition, showed a marked improvement over the game in Hearne Tuesday night of last week when they were defeated 33 to 0.

Led by Gan of Buckholts, on the defense and Stach on the offense, the Yoemen B's came near scoring twice but lost the ball on fumbles both times. The Hearne eleven scored on the Yoemen in the second and third quarters.

New Chevrolet For 1937 Out Nov. 7th

Announcement was made today by M. E. Coyle, president and general manager of the Chevrolet Motor Company, that \$26,000,000 has been expended in retooling, new machinery and rearranging the plants and assembly lines of Chevrolet for production of the 1937 models that will be announced early in November.

This is one of the largest sums ever appropriated by the automotive industry for the change-over of machinery for the annual new models, and gives an inkling of what the motorists of America may expect when the cars are revealed to the public. Mr. Coyle stated to 1,500 members of the field force of his company now in session in Detroit.

"It was said that the usual procedure in automobile manufacture is to make new models with certain changes one year and other changes the following announcement time, but that this year Chevrolet produced an entirely new car 1937."

Car Is Redesigned

It is because of the complete redesigning of the 1937 models that such a large expenditure for retooling and rearrangement was necessary, Mr. Coyle pointed out.

Detroit and Michigan shared largely in the Chevrolet expenditure of \$26,000,000. The plants at Flint expended \$10,000,000, and those in Detroit \$8,000,000. Two million dollars were spent in Saginaw, while in Muncie, Ind., and Indianapolis, a like amount was divided between the parts factories and the commercial body division. Bay City, Mich., factories expended nearly half a million dollars. More than half a million dollars were spent by miscellaneous divisions of manufacture.

Now In Production

It was disclosed to the field forces and newspapermen that Chevrolet is now in production on the new models,

and that 10,000 dealers of the company will have display cars for the announcement day and an ample supply for immediate delivery to purchasers. Schedules at the factories are increasing, with heavy volume slated for the latter part of October.

November and December will probably see Chevrolet production increased over the high marks set last year for those two months, said Mr. Coyle, for the interest shown by motorists in Chevrolet plans during the pre-announcement time augurs a large increase in buyer demand for the company's cars.

Dealers See Cars

The field forces received the announcement of Mr. Coyle with enthusiasm and pledged themselves to break the selling records they established in 1935 when practically all of the all-time company records were smashed. They viewed the new models at the proving ground, drove them and had the mechanical and servicing features illustrated, so that they in turn might bring this information back to their territories and at once begin formulating local sales policies for 1937.

Plan to Lead Nation

The record of Chevrolet's heavy volume sales in 1935, Mr. Coyle said, will be a 1937 product notable for still greater value. "Quantity production always entails savings," he pointed out, "and as the industry's leader in production and sales, in 1936, Chevrolet will naturally be in a position to pass along to the public the savings effected by that volume. So the statement that the company will show its appreciation in this concrete way is more than just words; it is solid fact, with sound economic laws behind it."

On the other hand, with modern arms, Rome could be rebuilt in a day.

YOEMEN PLUCK THE EAGLES TO WIN AGAIN 43 TO 0

SECOND CONFERENCE VICTORY OF SEASON EASY FOR MAROON

Touchdowns like tallies in a bush league ball game gave Yoemen a 43 to 0 victory over the Georgetown Eagles here Friday night when an ambitious back field went on a scoring rampage, aided by line play that was nothing short of phenomenal.

The Eagles, scoring two touchdowns against Rosebud and losing 12 to 18, were helpless before the fighting Yoemen who began early in the first quarter to trespass the goal line of the Williamson county threat, and kept it up in a sparkling exhibition of football.

James Stewart, a typical Yoeman, ran wild in the latter part of the game making two touchdowns in less than two minutes. Dero Underwood circled the Eagles' ends time after time marking up a big figure in yardage gained, while Joe McLean thrilled the grand stands with his traditional long runs.

Georgetown kicked off to Cameron with Blackwell kicking the ball to McLean who received the ball on his 11 yard line and weaved back up the field to his 32 yard line where he was tackled by Cardwell, a speedy Georgetown end.

Cameron's Ball

McLean started the game with a hard drive through center for a 6 yard gain, following up with a pass to Stewart which was complete and good for 15 yards and a first down.

McLean again took the pass from center and ran over right tackle for a 3 yard gain. In the next two plays he tried forward passes to Stewart and Turner both being incomplete, forcing him to kick on the last down. The punt was a beautiful spiral sailing out of bounds on Georgetown's 18 yard line.

Georgetown's Ball

In the three first plays Blackwell struck at center of the Yoemen's line, gaining 4 yards on the first, 4 yards on the second, and a first down on the third. He next tried an off tackle play but was stopped by Hatch and Gerick for no gain. The next play was a pass from Shipp to Harris which was good for 15 yards and a first down, after which the Eagles passed again. It was incomplete but good for two yards.

Blackwell again took the ball, tried hard at center but was stopped for no gain by Guess. Following Blackwell, Harris went over right tackle for a big gain and a first down. In the next play Poole, star Yoeman lineman, broke through the line, avoided two blocks, and threw Smith for a 12 yard loss. Shipp then picked up a yard over right tackle. Next the Eagles tried a pass which was intercepted by McLean on his own 15 yard line. McLean returned the ball to his 38 yard line.

Cameron's Ball

On the first play, McLean broke through the line and ran 20 yards for a first down. Turner followed with a beautiful run through center for an 8 yard gain. On the next play McLean tried a pass which was incomplete, after which he crashed through center for an 8 yard gain and a first down for Cameron. Underwood then took the ball circled wide around left end but was cut down by Cardwell after gaining only three yards. After an attempt by Turner at the Eagles' line, McLean tossed a pass to Stewart which was incomplete. On the last down Turner tried a field goal but failed.

Georgetown's Ball

Blackwell picked up a yard over right tackle, following up with a two yard gain at center. On the third down Shipp punted. Peck received the ball and returned to Georgetown's 42 yard line.

Cameron's Ball

After an incomplete pass from McLean to Underwood, Peck was thrown for a three yard loss on a reverse play. McLean then tried another pass to Underwood which was incomplete. On the last down McLean kicked out of bounds on Georgetown's 20 yard line.

Georgetown's Ball

After an incomplete pass from Blackwell to Shipp, Shipp kicked to McLean who received the ball on his 40 yard line and returned it to the Eagles' 35 yard line as the quarter ended.

SECOND QUARTER

Cameron's Ball

McLean tossed a forward pass to Peck which was high and incomplete. Underwood then failed to gain at left end, after which McLean tried a pass to Underwood which was in-

complete. On the last down McLean tried a pass across the goal but it was incomplete.

Georgetown's Ball

The Eagles tried two passes, the first from Blackwell to Shipp was incomplete and the second from Shipp to Tegge was incomplete. Blackwell then attempted to kick but it was blocked by Gerick, giving Cameron the ball on the Eagles' 31 yard line.

Cameron's Ball

After Turner picked up 2 yards at center, McLean tried a pass to Turner which was incomplete. Cameron was penalized and the play went over with McLean crashing through center for a good gain and a first down.

Turner failed to gain at center, followed by a five yard gain by Underwood around left end. McLean then

took the ball through center for a 2 yard gain. Turner then took the ball and drove through center for a good gain and a first down. On the next play McLean heaved a long pass to Underwood, which was complete and good for a touchdown. The Yoemen kicked the goal for the extra point making the score: Cameron 7, Georgetown 0.

Cameron kicked off to Georgetown with Poole kicking the ball to Harris who received the ball on his 22 yard line and returned to his 31 yard line.

Georgetown's Ball

After two incomplete passes, Shipp was thrown for a loss of 12 yards by Hatch. Shipp then kicked to McLean who received the ball on his 45 yard line and made a spectacular run down the field for a touchdown but the ball was brought back to Georgetown's 25 yard line where officials declared McLean stepped out of bounds.

After Turner picked up 3 yards at center, McLean tried a pass to Underwood which was incomplete. McLean tried a pass to Underwood which was incomplete. McLean then crashed through center for a first down.

Underwood lost 2 yards as he attempted to circle right end. McLean then took the pass from center and went over left tackle for 15 yards and a touchdown. Turner attempted to kick the goal but failed making the score: Cameron 13; Georgetown 0.

Cameron kicked off to Georgetown with Poole kicking the ball to Blackwell who returned 7 yards.

Georgetown's Ball

Shipp plunged the center of the line but was unable to gain. Tegge then took pass from center and attempted to circle left but failed to gain. Tegge again took the ball this time gaining 2 yards at right tackle. On the last down, Blackwell kicked to McLean who returned the ball 11 yards.

Cameron's Ball

McLean crashed through left tackle for a beautiful run and a first down. Turner then took the ball over left guard for a 2 yard gain, followed by Underwood attempting to circle right end. On the last down McLean took the pass from center, attempted to kick, and fumbled but recovered for a loss of 15 yards as the half ended.

SECOND HALF

Cameron kicked off to Georgetown with Poole kicking to McCook who received the ball on his 25 yard line and returned it to his 35 yard line.

Georgetown's Ball

Stewart broke through the Eagles' line and threw Shipp for a two yard loss. Tegge then picked up 5 yards around right end on a double reverse play, after which a pass from Shipp to Given was incomplete. On the last down Shipp attempted to kick but Gerick broke through the line and blocked it on Georgetown's 25 yard line.

Cameron's Ball

A pass from McLean to Underwood over the goal was out of reach and incomplete. McLean then went over right tackle for a 9 yard gain, followed by Turner who broke through (Turn to page 10)

Loyalty

Everyone of us has someone of something that we admire and consider our ideal. Sometimes it is a friend, sometimes our school. Loyalty is a devotion and an allegiance to those things which we hold highest and dearest. If we are not loyal, we have broken faith with ourselves or our friends or our school.

Each one of us should save something which will hold his loyalty, whether it be a friend, a football team, a school class, or a school subject, if he wants to get all the fun and the value his school life has to offer him.

Who's Who in the Senior Class

GEORGE WILLIAMS

Twenty years from now we shall see George standing on Fifth Avenue in New York conducting the traffic; that is if he carries out his ambition to be a traffic cop. Merrily he is whistling "Casey Jones," and that reminds us that this was his most beloved song way back in 1936, when he was a senior in Yoe High.

George's favorite color is black. If he ever wears a buttercup in his button hole, you will know that this is his choice flowers. After seeing him walk around the school with several girls, all blondes, we believe that he prefers blondes. You ask him what his hobby is—we wouldn't tell. "Hank," the name by which he is better known, come out for football and made the B Squad in 1935. He plays tackle this year and is making a good job of it.

Ada Henderson School Pupils in Program Role

The week of October 4-11 having been set aside as Fire Prevention Week by Governor James V. Alfred, the theme of the general assembly Wednesday morning was Fire Prevention. The program was presented by pupils of Ada Henderson School, directed by Mary Ross Coble, auditorium teacher.

The following pupils of 3-Y gave fire prevention jingles: Joseph Newton, Jane Stedman, Lucian Kruse, Billy Hefley, Bobby Wood, Jack Lewis, Charlotte Childress, and Wayne Perrin.

A group of pupils of 7-C presented a fire prevention play, the following taking part: Charlotte Perkins, Marian Hall, Robert Alexander, Wayland Kidd, Rose Mary Bennett, Doris Laake, Mary Jane Brock, Pat Neff Lynch, Ina Jean Akers, Gladys Crawford, Frances Overton, Jimmie Coleman, Wiley Pringle, Ida Foster, Eva Jean Przybysz, Shirley Horstmann, V. A. Lane, Leslie Rose Torno, Joe Mitchell and David Wade.

At the close of the program, high school pupils presented two numbers; Jane Allen danced in cowboy costume, and Gordon Lowe played two numbers on his harmonica.

Team Support Is Pep Rally Theme

More enthusiasm was evident at the pep rally Thursday for the coming Georgetown game than at any previously held. The rally was held in the new Vocational building with the band setting the pace for the yells. Pep squad yell leaders led the student body in songs and yells. Joe McLean and Gerald Mode, captains of the team, spoke briefly, and Coach Wood made an encouraging talk on behalf of the team.

Band To Temple For Exposition Program Oct. 29

The Cameron Band will have an opportunity to advertise Cameron and its schools at the Central Texas Exposition in Temple this month, according to Francis Cox, director. The band will perform at the exposition, October 29 having been designated as Cameron Day at the exposition.

Arrangements have been made to send the band to Temple, where they will parade through the business district at 5 p. m., and later play a concert on the exposition grounds.

The band will be in excellent form in their new uniforms and new drill formations.

Following the Team Around

There, there, little Yoelet, don't you cry,

For you'll win a game by-and-by.

This about sums up the B Squad game Tuesday night. But the future Yoemen did show a decided improvement and carried the ball from their own 15 yard line to the 20 yard line of the opponents after a pass had been intercepted by Nabours.

The "B" team has found a new back in David Stach, who repeatedly carried the pig leather through the center of the line for large gains. Seth Dees also did well on passes.

The score was 33 to 0 in favor of the Eagles.

The Maroon and Gray invade Taylor to battle with the Ducks Friday night. The Ducks have played four games and have won all of them. They defeated Belton, the district champions of 1935, by a score of 19 to 0. The Yoemen will have to fight hard to win this game. We're afraid to predict the outcome, because the Yoemen showed fair prospects in defeating Georgetown. It looks like a battle from start to finish.

Robert Key spent Sunday in Rockdale.

Thomas Jackson visited in Temple Sunday.

Richard Alexander went to Waco Sunday.

Wayne Perrin had a party Tuesday afternoon, October 6.

Dorothy Perkins, Lucy Turner, Mary Ellen Cottle, Douglas Perrin, Stone Garner and Mrs. H. E. Garner spent Saturday afternoon in Waco.

LIBRARY GETS NEW BOOKS ON TRAVEL

The Yoe High Library has begun a weekly series of book exhibits, changing the displays each Monday. They consist of book jackets, arranged topically, making a very attractive display.

This week the jackets are from books on travel, many of which are new this year. Among the books are: "Heroes of the Air," "Full Fathoms Five," "The Innocent Abroad," "Stevenson's Island Voyage and Travels With a Donkey," "The Glorious Adventure," "Tropical Africa," "Roughing It," and "Jungle Peace."

Miss Lanelle Love, librarian announces that new books are arriving every day. Pamphlets and biographical sketches of contemporary writers are also being added to the collection. Several new home economics books have also arrived.

Winnelle Kidd Is Spanish Club Head

Officers for the year were elected at the first meeting of the newly organized Spanish Club Tuesday morning. They are Winnelle Kidd, president; Iva Earl Heath, vice president; Adele Slama, secretary and Ben Walker, treasurer.

Group captains are Myrtle Stidham, Virginia Weems, Milton Leech, Lucy Turner and Ray Hubert Brashers. They are to act as the executive committee to present to the club plans for making a trip to Monterey possible for representative pupils.

51 pupils joined the club at the first meeting.

A regular date for meetings will be selected later.

480 Enroll

At the close of the fourth week of school, a total of 480 pupils have enrolled in Yoe High School, according to figures issued Monday from the superintendent's office. This enrollment is slightly less than that of last year. Withdrawals numbering 24 bring the present enrollment to 456.

B Squad To Play

The B Squad will play Hearne Tuesday night, October 13. Coach Ruggles' junior team will go into action for the first time this year against Georgetown Saturday night in Cameron. The players are Lucas, Dees, Wade, Dierr, Crawl, Tallent, Walzel and Tindahl.

Patricia Batte Is H. E. Club Head

Patricia Batte was elected president of the H. E. Club Tuesday morning at the organization meeting. Other officers are Norma Jean McElwath, vice president; Mary Frances Elliott, secretary-treasurer, Dianne Luckett, reporter.

The president will appoint the members of the social and program committees before the next meeting.

Juanita Pringle went to Lott during the week end.

During the week end Fred Jackson went to Burlington.

B. P. Matocha, Secretary of State, Explains the Amendments to Be Voted on Nov. 3 Proposing Changes in the Constitution of State of Texas

H. J. R. NO. 23

For a number of years there has been a definite movement to give State employees the benefit of Workmen's Compensation insurance. The State, by law, requires other employers in all other industries to carry such insurance on its employees while the State has not done so.

It will be possible for the State to insure its workers under the terms of the third proposed Amendment to the Constitution, which will be submitted to Texas voters November 3rd, according to Secretary of State B. P. Matocha.

The amendment is permissive and not compulsory. It gives the Legisla-

ture power to provide such insurance. It does not compel them to do so.

It is pointed out that perhaps the most men affected by this proposed are in the Highway Department where most of the hazardous work of the State is done.

However, there are a number of other departments which would be interested.

The heart of the amendment is found in the following language: "The Legislature shall have power to pass such laws as may be necessary to provide for Workmen's Compensation Insurance for such State employees, as in its judgment is necessary or required; and provide for the pay-

ment of all costs, charges, and premiums on such policies of insurance; providing the State shall never be required to purchase insurance for any employees."

S. J. R. NO. 26

Removal of the absolute power of pardon and parole from the hands of the Governor and vesting it largely in those of a non-political board, is the effect of Amendment No. 4, on the November 3rd ballot. This Amendment known as S. J. R. No. 26, makes provision for the Governor to grant parole, pardon, commutation, etc., of sentences upon the recommendation of a Board.

In interpreting the Amendment Secretary of State B. P. Matocha said: "The proposed Board of Pardon and Paroles would be comprised of three members; one of whom would be appointed by the governor; one by the Chief Justice of the Supreme Court and one by the Chief Justice of the Court of Criminal Appeals. They will serve for six years, one member's term expiring every two years. It would be impossible in this manner for any one individual or official to have complete control of the Board."

The Governor is given the power to grant one thirty day reprieve in a death case. This is his only initiative,

EQUINE THRILL

High jumping horses carrying pretty mounts will provide many a thrill and perhaps a spill or two when Russell Bros. Circus gives two performances in Cameron on Saturday, October 17.

however. He has the veto power on all recommendations and he may revoke paroles and conditional pardons.

This amendment was given its impetus by Governor James V. Allred, who is advocating its enactment. It is believed that its adoption may be a step toward ending abuses and stopping mistakes made in the issuance of various forms of clemency.

In cases of treason, under the terms of the proposed Amendment the Governor has the power to grant reprieves, commutations of punishment and pardons with the advice and consent of the Legislature.

At the present time all power of clemency, commutations, etc., is vested in the Governor and no small portion of his time is devoted to reviewing the thousands of applications. It is a strain and a responsibility which many feel is too much to place on any one individual.

CAMERON LIFE INSURANCE CO.

Accident benefits in our policies are very valuable to the policy holder. The cash payment to policy holder in the event of loss of hand, foot or eye will in most cases pay all hospital bills and leave a balance to tide him over the recuperation.

\$500.00 was paid to John L. McRae, Rockdale, Texas, for accidental loss of his left hand. This amount will not be deducted from the \$1,000.00 policy he has in event of death from any other cause.

Letter below for promptness in paying claim:

Cameron, Texas

Cameron Life Insurance Company,
Cameron, Texas.
Gentlemen:

I wish to thank you for your check in the amount of \$500.00, this day handed to me in full payment for the accidental loss of my left hand. The accident features of your policies, in addition to death benefit, makes them very valuable.

Your immediate, courteous payment of this claim is of much benefit to me and I am very glad indeed to recommend your good company to my friends and acquaintances. Wishing you much success, I am,

Yours very truly,

Signed: JOHN L. McRAE,

Rockdale, Texas, R. No. 2.

Lady Took Cardui When Weak, Nervous

"I can't say enough for Cardui if I talked all day," enthusiastically writes Mrs. L. H. Caldwell, of Statesville, N. C. "I have used Cardui at intervals for twenty-five years," she adds. "My trouble in the beginning was weakness and nervousness. I read of Cardui in a newspaper and decided right then to try it. It seemed before I had taken half a bottle of Cardui I was stronger and was soon up and around."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

POST-NUP-TIAL COMPLIMENT

A beautifully appointed post-nuptial compliment honoring Mrs. Casey Slocomb, a bride of September 13th, was given by Mrs. Don Slocomb Friday afternoon, when about one hundred guests were invited in to ten from 2:30 to 6:30. The entire reception suite was decorated in queen's crown, pink roses and fern.

Greeting guests at the door were Mesdames Carl Black, and Sam Brewer and in the receiving line were Mrs. Don Slocomb, Mrs. Casey Slocomb, Mrs. Joe Casey and Mrs. Cliff Weise.

The bride was becomingly gowned in a model in shades of pink and wore a shoulder corsage of orchids.

The hostess wore a model of ten rose with harmonizing corsage.

Mrs. Joe Casey was dressed in a gown of autumn shades and Mrs. Cliff Weise wore a gown of ice green shade.

Greeting guests in the house party were: Mesdames G. A. McDermott, Conn Miller, Joe Denison; Miss Clara Thomas and Miss Winnie Henderson. The tea table was laid with lace and held as a center piece a crystal bowl filled with pink roses with sprays of queen's crown and fern on a reflector.

The occasion was of a colorful nature with Misses Ethel Skelton, Dorothy Kidd, Emma Pearl Clement, Dora Emily Moore, Mary Tom Stidham and Mary Newton in dainty formal gowns serving in the dining room.

PARENT-TEACHERS

The Cameron Parent-Teachers Association met in the High School auditorium at 3:30 p. m. October 8. Mrs. E. A. Perrin presided in the absence of Mrs. Ryan who recently resigned as president.

Miss Mary Ross Cole presented her third grade pupils in a program featuring fire prevention week. W. C. Weise spoke on the advisability of voting on November 3 for the Teacher Retirement Amendment.

Minutes of the past meeting were read by Mrs. Ben Winfield, secretary.

In the business meeting which followed, Mrs. Vernon McIntyre was elected president. The meeting date was changed from the third to the second Thursday in each month.

BRIDGE PARTY

Mr. and Mrs. B. F. Robinson were delightful hosts to five tables of bridge guests Tuesday evening at their home.

The reception rooms were beautifully decorated with white chrysanthemums, while the dining room was done in a theme of orchid and white. The dining table held an oblong centerpiece of flowers in the chosen colors with pink candles on either side.

Mrs. Ed Taylor received a lovely crystal and blue glass flower spray for high score for women and Albert Collins a double deck of cards for the men.

The hostess served a salad course and sweet course at the conclusion of the games.

The personnel for the evening was Mr. and Mrs. James Watson, Mr. and Mrs. Judd Davis, Mr. and Mrs. Albert Collins, Mr. and Mrs. John Henderson, Mr. and Mrs. S. A. Cottle, Mr. and Mrs. W. O. Newton, Mr. and Mrs. R. D. Brown, Mr. and Mrs. Ed

Taylor, Mr. and Mrs. B. F. Bonds and Miss Cora Barmore.

Containers of blue and silver filled with flowers decorated the service tables and were given as high cut for men, and were won by Messrs. Albert Collins, Ed Taylor, B. F. Robinson, Judd Davis, James Watson and W. O. Newton and were in turn presented to their wives.

CONTRACT BRIDGE

Mrs. W. A. Bonds entertained Tuesday afternoon when guests were invited in for a series of contract bridge.

The hostess chose decorations in autumn shades of yellow and bronze, with floral decorations in talisman roses placed about the reception room.

At the conclusion of the games, Mrs. Ed Taylor, who held high score, was presented a beautiful pitcher in jade green, and Mrs. Lester Williams a refrigerator set for second high.

The hostess, assisted by Mrs. Vernon Roberts, served a salad plate with drink.

PRESBYTERIAN AUXILIARY

Mrs. E. A. Barmore was hostess at a meeting of the Woman's Auxiliary of the First Presbyterian Church Monday afternoon at her home.

Mrs. H. C. McKee gave the devotional which was on prayer.

Interesting discussions were given by Mrs. Graham Gillis and Mrs. Jas. Watson on the Negro and the Indian.

A social hour followed at which time the hostess served a refreshment plate with iced tea.

EPISCOPAL CHURCH

Sunday, October 18, Evening Prayer and Sermon, 7:30 o'clock.

THURSDAY BRIDGE

Mrs. Bill Baskin was hostess to members of the Thursday Bridge Club and additional guests for the week at her home on 23rd Street.

Pink roses were used throughout the reception suite for floral decorations.

Mrs. Penn Wolf was awarded for holding high score among club members and Mrs. Emory B. Camp held high for guests.

Mrs. Macon Bonner of Kingsville was an out of town guest of the club. The hostess served a salad course at the conclusion of the games.

WEDNESDAY NIGHT BRIDGE

Mr. and Mrs. E. C. Cole entertained the Wednesday Night Bridge Club for the week with four tables of members and guests invited.

The hostess used an array of assorted flowers for floral decorations. Guests of the club were Mr. and Mrs. R. B. Stedman, Mrs. Jesse James and Miss Ima Wilson and Mr. and Mrs. Dero Jenkins.

Guest prize awards were won by Mrs. Dero Jenkins and R. B. Stedman, with Mrs. Bob Bennett scoring high for club members.

The hostess served a salad course at the conclusion of the games.

THURSDAY BRIDGE

Adding a gracious hospitality to the social calendar was the meeting of the Thursday Bridge Club at the home of Mrs. R. D. Brown.

The reception suite was decorated with roses in shades of yellow and marigolds in yellow and gold.

Mrs. J. C. Martin held high score for members and Mrs. B. F. Bonds for guests. They received dainty embroidered guest towels in pastel shades. Mrs. J. M. Ralston was consoled with a set of beautiful maderia napkins.

At the conclusion of the games the hostess served a lovely salad course on tables centered with containers filled with yellow roses and ferns.

Mrs. Brown entertained the previous day with four tables of bridge. Mrs. Macon Bonner of Kingsville and Mrs. Lester Williams won high and next high scores respectively.

The hostess served a dainty refreshment plate.

For Bad Feeling

Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of Lafa, Ark., writes: "My husband and I both take Thedford's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

STEPHENS-CAMP

In a charming wedding Saturday night at the First Presbyterian church of San Antonio, Miss Frances Maria Stephens, daughter of Mr. and Mrs. Charles Day, Stephens of that city, became the bride of Walter Hardin Camp, son of Hardin H. Camp of San Gabriel.

Palms and white chrysanthemums decorated the church, and ivory tapers furnished the light.

The bride was gowned in an ice blue chiffon velvet fashioned on princess lines and wore a Juliet cap of seed pearls with shoulder length ice blue veil. She carried sweetheart roses and lilies of the valley.

Her attendant, Miss Roberta Alford, wore coral chiffon velvet and carried ice blue tinted roses. William H. Camp, Jr., cousin of the groom, attended him as best man.

After the wedding trip, the couple will make their home in San Gabriel. Mrs. Camp wore on her trip a Forstmann brown wool trimmed with Alaskan fox.

Wedding guests from San Gabriel were Hardin H. Camp, Mr. and Mrs. William H. Camp, Jr., and Mr. and Mrs. A. M. Camp.

By C. W. GJEDDE

"STAMPEDE"

Set against the beautiful background of British Columbia, "Stampede," the Columbia picture starring Charles Starrett, which comes to the Milam Theatre Friday and Saturday, October 16 and 17, is tops for thrills.

Charles Starrett, handsome, swash-buckling cowboy, storms down the bullet blazed trail of adventure in a new punch-packed tale of round-ups and romance.

Ford Beebe directed. The photography, which is startling in its beauty, was done by George Meehan and William Backway.

"PEPPER"

Jane Withers, child sweetheart of the screen, co-starred with Irwin S. Cobb, comes to the Cameron Theatre Saturday October 17 in a lovable story, contrasting the childish pranks of Jane Withers with the mellow wit of Irwin S. Cobb.

"STAR FOR A NIGHT"

Claire Trevor and Jane Darwell

are starred together again in "Star For a Night," a romantic drama coming to the Cameron Theatre Friday, October 16.

"SECOND WIFE"

Walter Abel, star in the recent films, "We Went To College" and "Witness Stand," is coming again to the Cameron Theatre Thursday October 15 in "Second Wife." Co-starred with Abel is Gertrude Michael, the beautiful Austrian actress.

"RAMONA"

Loretta Young and Don Ameche, the star that thrilled thousands of motion picture fans in "Sins of Man," come to the Cameron Theatre Sunday and Monday October 18 and 19 in "Ramona," an all technicolor film.

"PICADILLY JIM"

Robert Montgomery, starred opposite Madge Evans, comes to the Cameron Theatre Tuesday and Wednesday October 20 and 21 in "Picadilly Jim."

Ten members of the Duke & Ayres sales department attended a good will banquet in Taylor Tuesday night. Duke & Ayres Stores of Cameron, Belton and Taylor were represented.

Get Rid of Poisons

Produced by Constipation

A cleansing laxative—purely vegetable Black-Draught—is the first thought of thousands of men and women who have found that by restoring the downward movement of the bowels many disagreeable symptoms of constipation promptly can be relieved. . . Mr. J. P. Mahaffey, of Clinton, S. C., writes: "I have found that Black-Draught is very effective in the cleansing of the system. When affected by the dull headache, the drowsiness and lassitude caused by constipation, I take Black-Draught."

Old and New In Kitchens

THE modern housewife never mourns the "good old days" when women were chained to a dull and dreary kitchen preparing three square meals a day. Contrast the picture of patience at a last century cook stove with the cheerful and efficient modern kitchen which has freed the homemaker from culinary cares. Scientific kitchen planning, gay colors, ample cupboards and shelves, and time-controlled gas ranges which start the oven heat automatically and attend to baking without anyone's attention do much to simplify the problems of today's housewife. These many modern features also help to make cooking more interesting to the growing generation.

REV MOISES ROBLEDO BURIED IN CAMERON

Rev. Moises Perez Robledo, pastor of the Mexican Baptist Church of Cameron, who died October 3 of injuries sustained in an automobile accident near Cameron, was born at Cedral, Mexico November 8, 1890. His family was evangelized by J. B. Chastain, one of the first missionaries to enter Mexico.

He was educated by Christian teachers in Baptist schools, spending his early years in contact with missionaries and preachers.

When he was twelve years old he was converted and baptized. He entered the Theological School of Monterrey, N. L. Mexico in 1908, from which he received his degree four years later. Since that time he has been a laborer for Christ.

For nine years he was under the North Baptist Convention, preaching in El Porvenir, Montemorelos, San Luis Potosi; Mexico City, Sabinas Hidalgo and Villaladama.

Came to Texas in 1921

In 1921 he came to this state appointed as a Missionary by the Home Mission Board of the Southern Baptist Convention. With a field in Lower Rio Grande Valley. Here he organized two churches. Namely in Mission and McAllen.

He was ordained to the Christian Ministry by the Mission Mexican Baptist church February 19, 1922.

While at Mission, Texas, his church grew to a membership of one hundred. His chapel was well equipped with seats and an organ.

Preached at McAllen

At McAllen he preached in a tent. As his membership grew, aided by the Home Mission Board, he bought a hall and converted it into a church. When he left there his membership was seventy-eight.

While in the Valley he also preached in Harlingen and Eagle Lake.

To Cameron In 1931

He came to Cameron in October 1931; since he has worked earnestly, many having been converted. His church here has approximately 60 members, the Mission at Rockdale 30, San Gabriel 20, Maysfield 15, Hanover 10, Burlington 8. He also preached at Thendale.

December 23, 1923, he married Miss Eusebia de la Garza, and to this union were born six children. He also had an adopted son and three children by a former marriage. He is survived by these.

Buried Sunday

Funeral services were held at the First Mexican Baptist Church at 2 o'clock Sunday afternoon, by Rev. Vernon Miles of Cameron, representing the Milan County Baptist Association. Rev. S. P. Mereles of Fort Worth represented the Mexican Baptist Convention of Texas. Rev. Alfredo Cavazos of San Antonio, Texas, paid a beautiful tribute to him in

words of praise for his noble work.

Rev. Felipe Piojas of Harlingen, Texas, also assisted in the services.

A special song was sung by Rev. Thomas Garzas, pastor of the Presbyterian Mexican church, Mrs. Garza and Mrs. Meleles of Fort Worth.

Colored Baptist Assist

The Colored Baptist Church took part by singing a song. The following out of town ministers were present: Rev. Ignacio Gonzales of Austin, Rev. Victor Gonzales of Bryan; Rev. Daul Cantu of Taylor; Rev. Fredrico Montero of Marlin; Rev. Porter of Waco.

Rev. Breazeale of the College and Baptist church of Bryan sent words of consolation and respect by a member of his church.

The services were continued at the cemetery by singing of a song by a quartet from San Antonio.

Was Woodman

The Woodmen took charge. The different Camps represented were Taylor, Rosebud, Waco, and Eagle Lake and Cameron. The services were concluded by singing Rock of Ages and a prayer by Rev. Gonzales of Austin.

Out of town relatives present for the funeral were his father and mother, Mr. and Mrs. Ignacio Robledo of Harlingen, four brothers, his son, Paul, of Monterrey, Mexico, Mr. Piquinto de la Garza of Mexico and E. de la Garza of Mexico.

CARD OF THANKS

We wish to express our deep appreciation to our many friends who have helped and comforted us during the time of our recent sorrow in the death of our dear husband and father, Rev. Moises Robledo.

Mrs. M. Robledo and family.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends and neighbors for their acts of kindness and expressions of sympathy to us in our sorrow.

Hotel

(Continued from page 1)

in the hotel on the tier of southside rooms, each being equipped with showers and tubs and built-in closets. The walls will be finished in textone. Instant water heaters and Combination tubs and showers will give the hotel modern sanitary equipment. Each room will have an art square Axminster rug and new furniture has been purchased to equip every room in the hotel.

On the north side rooms will be elaborately furnished but without bath. Adjoining will be a bath and other accommodations for this tier of guest rooms. A fire escape is constructed at the back and fire doors are in the center of the hallway on the south run. There is a hall 6x132 feet on south side and intersecting halls give ample ventilation. On the north side is a hall 16x90 feet which can be used for banquets.

The hotel will give 28 rooms and 17 baths. A traveling men's office will be in the upper lobby. It will be equipped with desk, typewriter and other conveniences. Gas heaters will be installed in every room. Electric fans will be installed in every room for the spring and summer.

The building has some 22,000 feet of floor space and Mr. Anderson says the hotel will be one of the best in Central Texas when he opens it on November 1st.

GAS COMPANY TO APPEAL RATE CASE

Officials of the Lone Star Gas Company have announced that they expect to appeal to the United States Supreme Court from the decision of the Texas Supreme Court denying the company an appeal in the company's gate rate case. Attorneys for the company will first ask for a rehearing and if this is denied they plan to go to the highest tribunal in the land, they stated.

Cut Rates

This case involves an order of the Texas Railroad Commission reducing the city gate rate from 40 cents per thousand cubic feet to 32 cents. The company appealed from this order to the Travis County district court and a jury decided for the company holding that the commission's order was unreasonable. The state then appealed to the Court of Civil Appeals which reversed the jury verdict. The State Supreme Court was then asked

to review the case but has declined to do so.

Going On With Case

Officials of the company stated they believe the jury verdict was correct and that in order to protect their service to customers they are bound to go on with the case. They also expressed the opinion that because of increasing taxation and regulatory expenses and the increased cost of doing business it is more than ever necessary to maintain present rates.

The astonishing story of GULFPRIDE

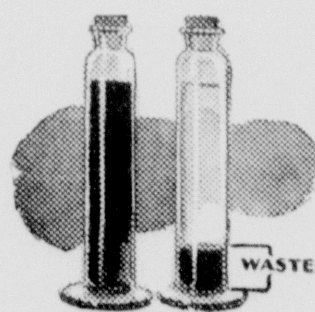

THE WORLD'S FINEST MOTOR OIL

THE results you get from GULFPRIDE OIL can be obtained from no other motor oil in the world!

For only GULFPRIDE is made from choice Pennsylvania crude . . . refined to equal the best motor oils on the market . . . and then further refined by Gulf's exclusive Alchlor process.

This process was developed by Gulf after 15 years of scientific research—the kind of painstaking research that is behind every Gulf product.

Read the facts below. Then replace your summer-worn oil with GULFPRIDE now. At all Gulf dealers.

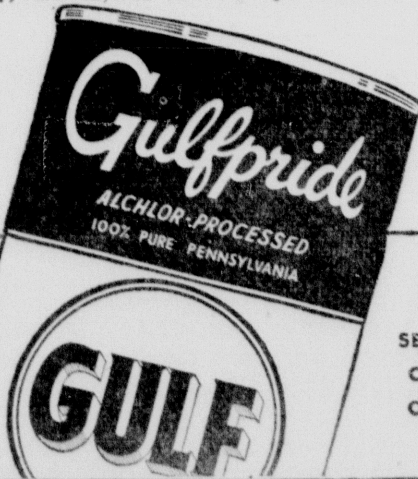

(Left) BEATING THE BEST. No other process refines oil so thoroughly as Gulf's Alchlor process. When a blend of 6 of the finest Pennsylvania motor oils—already highly refined—was put through this process, 20% waste came out. Proof that the Alchlor process makes GULFPRIDE finer than the finest other Pennsylvania oils.

A GULFPRIDE USER drove from Bennington, Vt. to Portland, Ore., averaging 400 miles a day. He did not add a single drop of oil. An unusual record, yes. But expect GULFPRIDE to take you farther before you need a quart than any other oil you ever used.

EASTERN AIR LINES' Great Silver Fleet uses GULFPRIDE only in every one of its 21 mighty planes. No other oil will do, because no other oil can match GULFPRIDE—the world's finest motor oil—for safety, stamina, and low cost per mile!

Banks Listen

—for good reports about their neighbors.

BANKS are interested in business men who are well spoken of because of fair dealings, courtesy, good service, quality products or fair prices, for these make a business grow and prosper. In time these business men will find use for new or increased borrowings from their bank and give useful employment to its loanable funds.

More than this, the good name which brings deserved success to those who render varied business services to the Community is the key-stone of sound credit.

This bank hears many good words about its business neighbors. It deems them an essential element in the strength and safety of the loans which it has made to many of them to facilitate their business operations.

the center of the line for a 2 yard gain and a first down.

With the ball on Georgetown's 4 yard line, Turner took the pass from center and went over center for a touchdown. Turner failed to kick the goal for the extra point making the score: Cameron 19, Georgetown 0.

Cameron kicked off to Georgetown with Poole kicking to Tegge who took the ball on his 10 yard line and returned to his 15 yard line.

Georgetown's Ball

On a double reverse play, Smith picked up 6 yards around right end but in the next play Shipp was thrown for a three yard loss by Guess. On the third down, Tegge kicked to McLean who took the ball on his 48 yard line and returned about 10 yards.

Cameron's Ball

After an incomplete pass from Lange to Underwood, Turner failed to gain at center after which McLean kicked across the goal.

Georgetown's Ball

The Eagles, eager to score on the Yoemen, started a series of passes. The first was complete and good for a 30 yard gain and a first down. Following this pass Shipp lost 7 yards on a reverse play after which he attempted another pass to Harris which was incomplete. Shipp passed again, this time to Blackwell and again he failed. He then attempted to punt but it was blocked by Gerick on Cameron's 30 yard line.

Cameron's Ball

Lange led off with a 3 yard gain over center followed by Turner who gained 8 yards at center and a first down.

After Lange had made two attempts to circle and no gain, he attempted a pass to Turner which was incomplete. On the last down Lange kicked. The punt was high and good for only 10 yards. It was killed by Kennon.

Georgetown's Ball

Blackwell tried the center of the line for no gain and on the next play Carlson was thrown for a 8 yard loss by Poole, followed by Stach breaking through the line and throwing Shipp for a 15 yard loss as he attempted to pass. On the last down, Shipp kicked to McLean on Cameron's 30 yard line. McLean returned the ball to his 45 yard line as the third quarter ended.

FOURTH QUARTER

Cameron's Ball

Lange picked up 7 yards at center followed by a 2 yard gain at center by Turner. Lange again took the ball this time for no gain. On the last down McLean kicked out of bounds on Georgetown's 20 yard line.

Georgetown's Ball

Shipp attempted a pass but it was intercepted by Stewart who ran 15 yards for a touchdown. Turner failed to kick the extra point, making the score 25 to 0.

Cameron kicked off to Georgetown

JOE McLEAN

Joe was a scoring ace in the game against Georgetown, and although his passing was not up to standard, he made up for the loss in long gains up and down the field carrying the ball.

Georgetown's Ball

Stewart again intercepted a pass from Shipp and ran 40 yards for a touchdown. Turner again failed to kick the goal for the extra point and the score was: Cameron 31, Georgetown 0.

Poole kicked off to Blackwell who received the ball on his 20 yard line and returned it to his 35 yard line.

Georgetown's Ball

Shipp picked up 5 yards over right tackle. Smith then tried center for no gain after which a pass from Shipp to Tegge was incomplete. On the last down Shipp kicked to Lange who received the ball on his 25 yard line and returned it to his 35 yard line.

Cameron's Ball

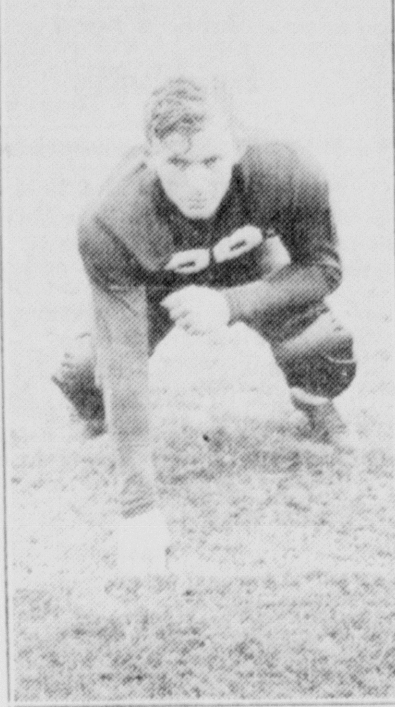

Lange picked up 4 yards at center, followed by an incomplete pass from McLean to Kennon. McLean then hit the center of the line for a 4 yard gain but Cameron was penalized and the play went over with McLean kicking out of bounds on Georgetown's 9 yard line.

Georgetown's Ball

On the first down, Shipp kicked to Lange who returned the ball to his 25 yard line.

Cameron's Ball

A pass from McLean to Cammer was incomplete. On the next play Lange passed to Moore. It was complete and good for 16 yards and a first down, after which Lange plunged center for a 3 yard gain. In the next play, McLean passed to Moore. It was complete and good for a touchdown, but Cameron was penalized and the play was called back. McLean again passed to Moore for a touchdown. The Yoemen kicked the goal for the extra point making the score 37 to 0.

JIMMIE STEWART

Two touchdowns in as many minutes was a part of the brilliant record Friday night of this Yoeman end who intercepted two passes and scored 12 points.

Georgetown's Ball

Carlson led off with a four yard gain at center followed by Smith picking up 4 yards at right guard. Smith then gained 2 yards at center after which Carlson attempted a fake kick but fumbled. Hughes covered the ball for Cameron on Georgetown's 35 yard line.

Cameron's Ball

After an incomplete pass from McLean to Stach, McLean passed to Kennon. It was complete and good for 35 yards and a touchdown. The Yoemen failed to make the extra point, making the score 43 to 0.

Cameron kicked off to Georgetown with Chambers kicking the ball to Davis who returned only 1 yard.

Georgetown's Ball

Smith passed to Harris. It was complete and good for a first down. Smith attempted to pass again but it was intercepted by Moore who ran to Cameron's 35 yard line before he was brought down.

Cameron's Ball

A pass from McLean to Stach was complete and good for a first down, followed by a pass from Lange to Moore which was incomplete. Another pass from McLean to Moore was incomplete. On the last down McLean attempted to pass across the goal but failed.

Georgetown's Ball

Smith attempted a pass to Shipp which was incomplete. Another pass from Smith to Shipp was incomplete, and a third pass from Smith to Caldwell was complete and good for 9 yards. Carlson then took the ball and plunged through center for a first down as the game ended.

City to See Glamor of the Big Top When Russell Circus Hits Town Sat.

Vast spreads of canvas, fluttering flags, gaudy side show banners, roaring lions, trumpeting elephants, beautiful ladies in tights doing death-defying feats, agile bareback riders in frilly costumes, rollicking clowns engaging in ridiculous antics, the pulse-quickenning rhythm of band music, the unmistakable odors of sawdust and tanbark, of popcorn and floss candy. These alluring sights, sounds and smells, combining to produce the eternal appeal of circus day, will prevail in Cameron Saturday, October 17, when the Russell Bros. Circus comes for two performances—afternoon and evening.

Is Big Circus

This circus ranks high among the foremost big top organizations of America and has an enviable reputation in many parts of the country. It bears the distinction of having been the first circus of major proportions to reduce its prices to a point in keeping with the average citizen's present-day amusement budget. Because of its low admission rates made possible by the most modern operating methods, it has been designated

as "the greatest circus on earth for the price." The circus lovers of this community will have the further advantage of special reduced matinee prices.

Here Saturday

The circus will arrive in town bright and early Saturday and a mighty interesting morning is promised those who gather on the grounds to watch the ever fascinating spectacle of the big tented city springing into being. One after another, the various tents, the menagerie, side show, big top, dining tent and all the others, will rise with well-ordered precision. Before the noon hour, everything will be up and in readiness for the matinee performance.

Free Exhibition

Activities will get started on the midway with the usual free exhibitions at 12:30 in the afternoon and 6:30 in the evening; the doors will open at 1 and 7 p. m. to allow the circus-goers plenty of time to visit the menagerie and enjoy the concert of popular and classical music by the band; and the actual performances will begin at 2 p. m. and 8 p. m.

Yellow Jackets Give Killen a Sting.

The Sharp Yellow Jackets, under Coach Wm. Malock, gave the Killen eleven a sting Friday evening in Killen making two touchdowns while Killen made only one. Sharp's first touchdown was called back on no reason, making the score 6 to 7 in Killen's favor, according to their idea, but Sharp came home rejoicing over a victorious score of 12 to 7 over Killen.

The cold germ is a constant threat to your health during winter because leading doctors tell us that fifty per cent of all disabling diseases start with a "common cold." And the invisible but dangerous cold germ finds one of his best opportunities in homes where occupants are most liable to sudden changes of temperature. Therefore, it is a wise precaution to avoid the possibility of sudden changes of temperature in your home this coming winter by providing a constant circulation of pure warm air throughout the house.

LONE STAR GAS SYSTEM

Newton

(Continued from page 1)

that \$8,000,000 is not enough money to adequately care for the old people of this state. Therefore, in addition to the omnibus bill, I am going to support the other tax bills which will increase the tax on natural resources—sulphur, gas, oil, and carbon black.

Would Tax Oil and Sulphur

The longer I serve you as your representative the more I am impressed with the way the great, rich sulphur, gas, oil and carbon black companies of this state are taking away our heritage of wealth underground and giving us practically nothing in return.

Take oil, for instance—we produce more than forty per cent of all the oil of the United States. We produce more than 400 million barrels every year. Of this oil, the people of Texas use only about thirteen per cent. The other eighty-seven per cent is shipped to New York, Pennsylvania, New Jersey, Italy, Germany and other states and foreign countries.

Tax Loss Heavy

On the thirteen per cent used in Texas, the six million Texas citizens pay almost \$50,000,000 in taxes every year in gasoline and oil taxes. But on the other eighty-seven per cent, Italy, New York, Germany, and other users pay into the State Treasury only about six million dollars.

We use 1-8 and pay \$50,000,000 in taxes. The rest of the world uses 7-8 and pays about \$6,000,000. Is that fair? Is that just? Is that reasonable?

On October 12 I voted for a five cent a barrel tax on oil. On October 13 I voted again for the same tax. This would raise about \$12,000,000 in new revenue from the oil industry.

Will Continue Fight

I have always supported much higher taxes on sulphur, gas, oil and carbon black, and I will continue to do so. One of these days these precious supplies of natural resources will be exhausted, and what will we have to show for it? We'll have nothing, unless we get busy now and collect a fair tax from these giant companies.

I know of no better use that could be made of tax money than to help our old people in their declining years. And as President Roosevelt has pointed out, what helps one section of the people helps all the other sections.

Economic Benefits

By giving the old people of this State the pensions they are entitled to, they will in return help the farmer by buying more cotton goods, more corn meal, more flour, more vegetables; they will help the merchants by increasing their purchases; they will help the churches by increased contributions.

It is not a question of helping one part of our people at the expense of the rest. It is a question of making the great companies that are draining off our natural resources give us back reasonable tax for the privilege of exploiting these God-given resources. This can be done and it will not hurt anyone. How badly will an

drew Mellon, the sulphur and oil king, be hurt if his profits is ten million next year instead of eleven million?

So, my friends, here is my report of what I favor during this session:

Outlines Program

(1) I will work for a simplification of the old age pension machinery so that all applications can be passed on within a decent length of time.

(2) I am voting and will continue to vote for real increases in the tax on oil, gas, sulphur, and carbon black so that we can (1) raise the money necessary to pay these old age pensions, and (2) get our proper and reasonable share of the many millions of dollars worth of natural resources that are being taken out of Texas every year.

I would like to hear from each of you as to your ideas on these important problems. I can represent you more efficiently if you will keep me informed as to your opinions and what you want. Please feel free to write me or come to see me at any time.

Sincerely yours,
GEORGE MAYO NEWTON,
Representative, 64th District

Therefore, be it resolved that we believe it to be in accord with the best interests of football in this district to assess, and we do decree the following penalties:

(1) Allen Wighmen and Rex Shroyer are declared ineligible;

(2) The game played between Granger and Thrall is automatically forfeited;

(3) Granger High School is disqualified from further football participation for the season 1936.

Immediately following this resolution, a motion was passed absolving the Granger Superintendent from any responsibility in this matter, and the Chairman of the Committee was directed to so inform you, and to send a copy of this letter to the President of your school board, the president of your athletic council, and to each member school of this district.

Sincerely yours,
E. A. PERRIN,
District Chairman.

Markers

(Continued from page 1)

T. S. Henderson in charge. This marker is placed near the site of the landing of the steamboat "Washington," at the old McCown crossing near Wayside in the winter of 1850-51—the only steamboat ever to navigate Little River.

November 20—Port Sullivan, Niley Smith in charge.

November 29—Bryant Station, Mrs. Jeff T. Kemp in charge.

These dates are all tentative, but the celebrations will be held on or near the dates given.

Mission Sites

The three Spanish Missions markers are located on the San Gabriel River, near the town of San Gabriel. Father O'Sullivan, of Burlington, is in charge of these markers, and will be joined by the citizens of the San Gabriel community in a comprehensive program to be announced later, and in which the San Gabriel Public School will take an important part.

Mrs. R. H. McIntosh of Cameron, in charge of the Old Nashville marker, announces that the date for her program will be announced as soon as the marker has been placed.

It is the hope of the Milam County Advisory Board that the citizens and schools of each of the communities involved in these celebrations will become active and take the lead in suitable programs for the unveiling of the markers.

Texas Granite Markers

The markers are blocks of Texas granite, about one by four by six feet in size, and are suitably engraved. The steamboat landing marker bears in addition to the Texas seal and star, the following inscription: "In the winter of 1850-51, with Capt. Basil M. Hatfield, commander, the steamboat 'Washington' landed here with a shipment of merchandise from Washington on the Brazos to J. W. Me-

Cown & Company, merchants at Cameron. The first, last and only steamboat to navigate Little River. Erected by the State of Texas, 1936."

The Milam County Advisory Board suggests the following interesting trips for those interested in Texas history:

Tour Suggested

Fort Parker, near Groesbeck, where the old fort has been reconstructed.

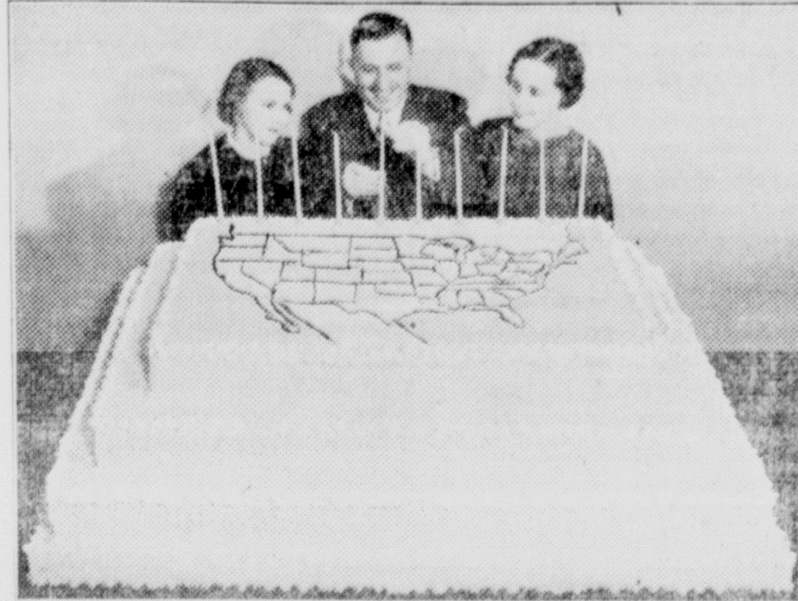

Huntsville, where the Sam Houston "steamboat house" has been rehabilitated.

Old Washington, on the Brazos, where, by November 15, various monuments will have been erected in the State Park. Such trips are suggested as a timely manner of celebrating the Texas Centennial.

Motorists Warned To Have Lights On Autos Adjusted

The checking of automobile headlights and tail lights was begun by city officials here Monday night. This check up will continue until all motorists with defective lights have been warned.

Motorists who fail to correct defective lights after having been warned are subject to pay a small fine, according to City Marshal Gene Smith.

LOTS OF CAKE! J. Frank Grimes, founder-president of the Independent Grocers' Alliance, lights candles on a quarter-ton birthday cake as IGA this week celebrates the tenth anniversary of its founding. More than 6,500 grocer members of the alliance throughout the nation are celebrating the occasion, which will last until October 31. Left to right are Lucille Rudland, Mr. Grimes, and Jeanette Gayon. The picture was made in the Chicago headquarters offices of the organization.

M. D. LUCE IS BURIED IN CAMERON FRIDAY

M. D. (Bud) Luce, 68, native Milam county citizen, died at the home of a nephew, Arthur Small at 6:15 Thursday morning October 8, 1936, from complications induced by influenza and pneumonia.

Mr. Luce was a widely known lo-

cal citizen, being a member of a prominent pioneer family residing in this county for many years.

Funeral services were held at the First Methodist Church at 2:30 p. m. Friday with Rev. J. Coy Williams, conducting the services, assisted by Rev. Vernon G. Miles, pastor of the First Baptist Church. Interment was made in Oak Hill Cemetery with the Leland Green Funeral Home directing arrangements.

Active pallbearers were Joe Luce, Jr., John and Roger Delahunty, Arthur and Albert Small of Cameron; DeLos and Floyd Luce, San Angelo, nephews of deceased.

Mr. Luce was born and reared in Milam county and for a number of years farmed in this section. He also was with the Santa Fe Railroad as a special agent with headquarters in Ardmore, Oklahoma, and also served the State of Texas as a prison guard at Huntsville.

Surviving are three daughters, Mrs. Clint Barker of Abilene, Mrs. Charles McLaughlin of Oklahoma City, and Mrs. Edward Murer of St. Louis; one brother, Joe N. Luce of San Angelo; two sisters, Mrs. John Small and Mrs. P. N. Delahunty of Cameron.

Attending the funeral from out of town were: Mrs. Wilburn Luce, Wilburn Luce, Jr., and Willard Luce of Houston; Mrs. Joe Mierchant of Galveston; Mr. and Mrs. Joe N. Luce and Mrs. Russell Tarver of San Angelo.
